Full Electric 7-Seater MPV**

DENZA  
D9

## Expansive View

Our extra-large panoramic sunroof brings in natural light, making the cabin exceptionally bright, thoughtfully paired with double-layer glass that blocks 99% of UV rays.

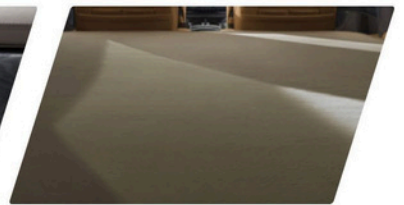

Beverage cabinet with cooling and heating function.

Dynaudio speaker HIFI-class sound system.

Genuine Wood Panel Touch of Nature.

Soft air mattress designed for the boot.

### Exceptionally Distinctive

Our  $\pi$ -Motion aesthetic combines the mathematical precision of  $\pi$  with the fluidity of Motion, crafting a uniquely dynamic exterior.

### Top-Notch All-Electric Power

Powered by BYD Group's e-platform 3.0, our power system features an eight-in-one electric motor.

### Faunting Sharpness

Our star-feather taillights adopt a simplistic vertical design, further accentuated by the iconic  $\pi$  symbol to enhance the visual impact.

### Strikingly Unforgettable

The  $\pi$ -Motion front face design employs DENZA's minimalistic design language. Its sleek lines extend sideways, presenting an aura of modern elegance

### Seamless Unity

Perfect body proportions blend smoothly with streamlined body lines, resembling a meteor streaking across the sky, embodying extraordinary dynamism.

### A Sleek Entrance

Our meteor-inspired headlights feature brilliant flowing light bands that enhance brightness and broaden the driver's field of view.

Wheelbase

**3110 mm**

NEDC all-electric range

**600 km**

10-minute-charge range

**150 km**

0-100km/h acceleration

**9.5 s**

## Seven Seats, Equally Superb

The second-row seats utilise a 1080mm-long electric slide rail, creating a spacious interior for all passengers to enjoy the luxury of DENZA D9.

Mid-row seat

### Thoughtful Design

Based on ergonomics, our zero-gravity seats are made of high-grade Nappa leather, equipped with 10-way electric adjustment, six-way sleeping headrest, electric leg rests, and wide-angle backrest adjustment. A 10-point massage function is also included for ultimate comfort on every journey.

Third-row seat

### Redefined Comfort

The width of the third-row corridor platform reaches 170mm, with generous legroom up to 1040mm. Ample elbow and head space, coupled with unmatched comfort, redefine MPV rear seat standards. ISOFIX mounting is available and up to four child safety seats can be installed in the middle and rear rows, catering to all your needs.

Trunk

### Adaptable to Your Needs

Our 410-570L luxury trunk space can be flexibly used to meet any lifestyle or work needs.

Driving System

The DiSus-C smart damping body control system and chassis are finely tuned by world-class experts to offer excellent driving control.

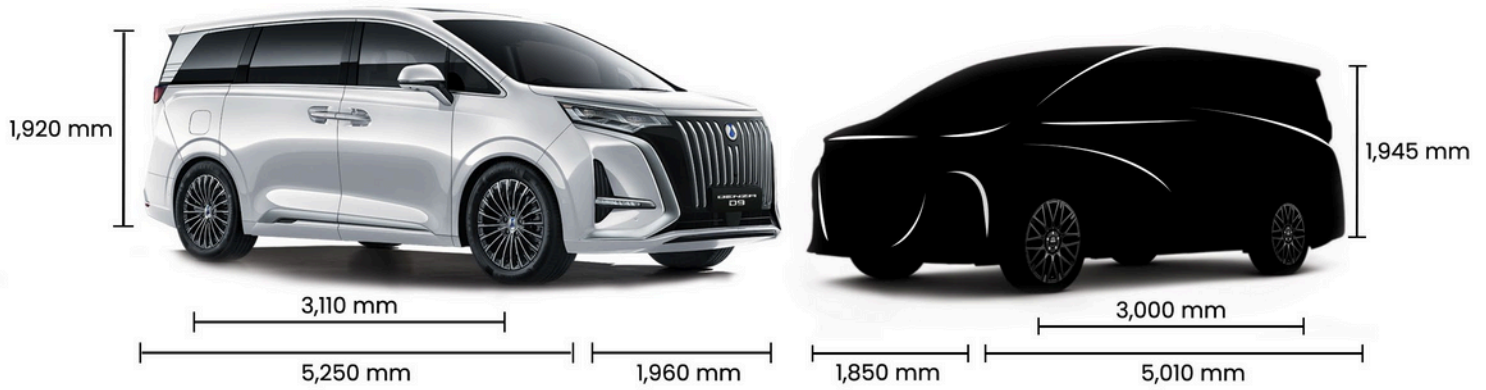

360° Protection

Equipped with airbags in the front, middle and rear seat rows, including side curtain airbags spanning all three rows and a central airbag, to provide all-round protection for all passengers.

# Specification Comparison

## Denza D9

## Brand X

Type	Full Electric Vehicle	Hybrid Electric Vehicle
Wheel & Tire	235/60 R18	225/55 R19
Power	230	140
Torque	360 Nm	239 Nm
Front & Rear Suspension	MacPherson Strut/Multi-link	MacPherson Strut/Double Wishbone
Advanced Features	<ul style="list-style-type: none"> <li>• Vehicle to load (V2L)</li> <li>• Intelligent battery temperature management system</li> <li>• Reservation charging system</li> <li>• Ultra intelligent interactive cockpit</li> </ul>	<ul style="list-style-type: none"> <li>• Voice command power backdoor</li> <li>• Wireless Charger</li> <li>• RR1 detachable seat control panel</li> <li>• DVR integration with smartphone</li> </ul>

### Battery

Uses a lithium-ion blade battery with a capacity of 103 kWh, which allows a range of up to 600 km on one full charge.

### Fast Charging Vehicle

Fast Charging on the BYD Denza D9 is done via two fast charging ports which allows for more efficient charging.

### E-platform BYD

The platform is designed for broad integration with a variety of electronic components, including vehicle control systems, user interfaces, and communications infrastructure.
